**Whatsapp Messenger:** 3273315588

**Home:** Street Montegrappa 1, 30030 Venice (Italy)

### ABOUT MYSELF

I am a diligent and educated student seeking a job as a computer programmer. My motto is "My destiny is up to me", because, as far as I am concerned, destiny is not decided by others, but by our own actions. This motto suits me because I always put a lot of effort on my tasks.

### JOB APPLY FOR

#### Job apply for

I am seeking a job as:

- computer programmer;
- software developer.

### EDUCATION AND TRAINING

#### High school diploma to be awarded

**ITI Francesco Severi Technical High School** [ 09/2022 – Current ]

**Address:** Street Luigi Pettinati 46, 35129 Padova (Italy) | **Website:** [www.itiseveripadova.edu.it](http://www.itiseveripadova.edu.it) | **Field(s) of study:** Information and Communication Technologies (ICTs): • Computer use

ITI Francesco Severi is a technical institute located in Padua which provides education in Informatics, Mechanics and Electronics fields.

At the end of high school, ITI "Severi" will provide skills such as:

- Use analytical and critical thinking skills for problem solving tasks, elaborating appropriate solution proposals, both in terms of computer algorithms and their implementation;
- Develop IT applications for local networks and remote services.

### TECHNICAL SKILLS

#### Calculating numbers

I have been interested in numbers since I was a child. I'm good at calculations and can easily understand mathematical concepts.

#### Coding in C++, C#, Java, HTML

I started coding in C++ when I was 10 years old, which helped me to have strong basic concepts and coding ability. Later in high school I started learning Java, HTML, Python, C.

#### Speaking different languages

I can speak Chinese, English, Italian. I started studying these languages in childhood and I believe I can speak them without huge difficulties.

## INTERPERSONAL SKILLS

---

### Teamwork

I used to be in a basketball team and I have worked as a teammate in various projects.

### Adaptability

I am able to adapt to different situations with flexibility. This skill was improved through the "MOVE" project: I was hosted by a family and learned to follow their rules.

### Time-management ability

I have strong time-management skills and I am always punctual. Furthermore, I often complete tasks before the deadline. I believe that punctuality is a responsibility when an assignment is given.

## LANGUAGE SKILLS

---

**Mother tongue(s):** Chinese

**Other language(s):**

### English

**LISTENING** B2 **READING** B2 **WRITING** B2

**SPOKEN PRODUCTION** B2 **SPOKEN INTERACTION** B2

### Italian

**LISTENING** B2 **READING** B2 **WRITING** B2

**SPOKEN PRODUCTION** B2 **SPOKEN INTERACTION** B2

### French

**LISTENING** A2 **READING** B1 **WRITING** A2

**SPOKEN PRODUCTION** A2 **SPOKEN INTERACTION** A2

*Levels: A1 and A2: Basic user - B1 and B2: Independent user - C1 and C2: Proficient user*

## CERTIFICATIONS

---

[ ITI Francesco Severi Technical High School, 12/2025 ]

**Foreign language certificate(FCE)** The certificate is based on a project called "Move", which I joined. At the end of this project, a FCE test will be held and it has four sections: Listening, reading, writing and speaking.

**Mode of learning:** Project Based

[ ITI Severi Technical High School, 2024 ]

**Security certificate** I received it after passing the text about security in the job, where I focused on the work environment and potential risks to employers.

**Mode of learning:** Presential

[ Camerino University, 30/05/2025 ]

**certificate PCTO of the project "Informatica X Gioco"** The certificate attests to 60 hours of PCTO and it was obtained through the development of a videogame about some global issues, created using the Unity platform. I was the leader of the team and despite we have no experience at the beginning, we managed to create the game.

**Mode of learning:** Project Based

## PROJECTS

---

[ 2025 – Current ]

**MOVE** "Move" is a project mentioned in the previous section, where deserving students can participate to get an English certificate by improving the language skills while living two weeks in Ireland. I took part in the project and I am currently preparing for the text.

[ 11/2024 – 03/2025 ]

**Informatica X Gioco** "Informatica X Gioco" is also a project mentioned in the previous section, in which students from different school compete to create the best videogame that best fits the assigned topics. The videogame must be developed with Unity Platform, which is based on C# programming.

## HOBBIES AND INTERESTS

---

**Playing basketball** I started playing basketball since I was a child, and I enjoy playing it with my friends. It's a special moment when we get together and have fun.

**Modelling in Blender** Modelling is a hobby I started a few months ago. I was impressed by the fantastic 3D characters and animations created with it, therefore I began studying it during my free time. I am looking forward to participating some online events when I will be more professional.

## PRIVACY

---

### Personal data treatment

*I hereby consent to the processing of this CV and the personal data contained within, by anyone who receives this document for the sole purpose of considering my application for employment opportunities, in accordance with Article 6.1(a) of GDPR (EU) 2016/679.*
